

A Peculiar Thing About Our Coats!

Is the number of customers that come back to them after looking everywhere else. Speaks pretty well for their style and value, doesn't it? The facts are our assortments are so large and every number so chock full of value it becomes wholly unnecessary to "look around" unless it is to satisfy yourself.

More New Coats

Have just been received to keep our stock up to our usual full assortments.

Black Coats at - \$15.00.

Mixture Coats at 10.00.

If you wish to compare values a good way is to come in, see them and have some sent to your home, then consider their merits, style, quality, fit and finish. You'll be sure to be pleased.
